1. Every labor office in the Russian Zone was ordered on 20 November 1949 to exempt all Antifa workers and volunteers from employment in Aue. Full details on these workers are to be sent to the Landesarbeitsministerium, Schwerin. The cards of these men are then to be forwarded to Abteilung K5 of the local Kripo for a check on background and political reliability. Those accepted will be sent to Peenemünde-Karlshagen for special secret work. This work will take precedent over present employment. All nominations must reach Schwerin by 10 January 1950.
